

Creative Mentorship With a Pro

Our mentorships are:

- 45-minute video sessions
- Facilitated by professional writers
- Hosted on Google Chat and make use of shared Google Docs
- Customized to meet each writer's goals

In each session we will:

- Focus on a specific skill
- Use a game or activity to explore the skill
- Practice a practical strategy in writing
- Review the day's learning
- Agree on a writing goal for the next session

Writerly Play focuses on helping writers develop creative thinking skills and strategies

Pricing and Logistics for NON Members

- We match mentorships based on style, genre, personality mix and availability
